MT BLACKMORE 10.8 mi

{ \* hiking buddy required for car shuttle }

### REMEMBER TO BRING

## For Training

**THE M ASSORTMENT** Provides mellow-moderate to difficult hiking options; You can hike straight up to the M for an intense workout or stick to the moderate level foothills trail.

**KIRK HILL LOOPS** Provides short moderate loops for cardio workout; CAUTION- slippery when wet; Dogs not allowed; Bikes not allowed.

**DRINKING HORSE MTN** Provides short moderate-difficult loops for decent cardio workout

## Dogs

Hiking with dogs is fun for both the owner and the dog(s). However, dog waste is not fun for your fellow hikers. **PLEASE CLEAN UP AFTER YOUR DOG.**
